Re: *Torres v. City of New York et al*, No. 1:23-CV-01674

Dear Honorable Katharine H. Parker:

I am a pro bono attorney who will be representing Mr. Torres at his upcoming settlement conference. The settlement conference is currently scheduled for November 7, 2024. I write to request a short adjournment of that conference, and correspondingly, the deadline to file the *ex parte* pre-settlement submission. I have not filed any previous requests for adjournment.

Although Mr. Torres does not wish to adjourn the conference, I cannot adequately prepare for it based on the current schedule. I was only recently engaged, and just filed my notice of appearance this week. Between yesterday and today, I have received the discovery that has been exchanged to date, which I now need to review to prepare the pre-settlement submission and for the conference. I also have not had a sufficient opportunity to consult with Mr. Torres. I was able to speak with Mr. Torres briefly on a monitored line but informed him that I needed to arrange an attorney call using the proper channels. I have requested an attorney call with Mr. Torres but have not yet received confirmation of the call.

I have spoken with opposing counsel who consents to adjourning the settlement conference. Opposing counsel and I have conferred regarding our schedules and respectfully ask the Court whether it is available to hold the settlement conference on December 4, 9, or 11, 2024.
